Benefitting Ovarian Cancer Awareness and Research*

We took a break in 2016 from the silent auction and Musical Freestyle Dressage Show. We did have a Fun Show and made more women in the equestrian community aware of ovarian cancer's early signs and symptoms. I am happy to say we were able to donate another \$1500.00 to the Ovarian Cancer Research Fund Alliance which brings our 6 year total to over \$22,500.00. YEA to US! and YEA to YOU! for helping us get there.

We can't rest on our laurels, though, and need to keep moving forward with our fight to make more women aware of the early signs and symptoms of this terrible disease. There is not reliable test to diagnose ovarian cancer. Most women aren't diagnosed until the cancer is in its 2nd or 3rd stage, which for many is too late to survive the disease. We are hoping that our donations will make more research possible to help save more lives.

With your help we will keep making a difference!
